Subject: Kennecott Utah Copper - Annual Reports for the Year 1993

Dear Mr. Hedberg:

As discussed during the January 7, 1994 meeting, Kennecott Utah Copper requests an extension of the deadline for submission of annual reports for the Bingham Canyon Mine, M/035/002, the Copperton Concentrator, M/035/011, and the North Perimeter Area, M/035/015 (see attached Division of Oil, Gas, and Mining memo from Holland Shepherd, Senior Reclamation Specialist to file, dated January 7, 1994). This letter confirms our understanding that the date for submittal of the above referenced information has been extended to March 31, 1994.

Thank you for your attention in this matter. If you have any questions, please give me a call.

Sincerely,

Frederick D. Fox  
Director, Environmental Affairs
